

Kindermusik of Davidson

Esther Alcamo, Director and Kindermusik Educator: I am a pianist, singer, music educator with a B.A and M.A. in Music Theory from Queens College, CUNY. I have had the pleasure of teaching piano and music theory, and teaching High School chorus in New York City and Long Island, NY. I currently direct the Music Makers children's choir and sing with the Complaine choir at DUMC. I am also mom of two wonderful kids, Ariana (6 ) and Evan (2). I first became involved in Kindermusik as a parent, and saw the wonderful benefits it held for my children, and have been bringing the joy of music and movement to children and parents at Kindermusik of Davidson ever since.

Bond with your child as you play, sing, dance, and giggle together. Your child will learn and grow through activities that stimulate brain growth, build motor skills, enhance social-emotional development, and much more. A trained, licensed Kindermusik educator seamlessly guides the class from one activity to the next and helps you understand what your child is learning. Your educator will also show you how to continue the fun—and the learning—beyond the classroom.
